Aunt Dot's  Place

FIGHTING FOOD INSECURITY IN ESSEX, ESSEX JUNCTION, JERICHO, UNDERHILL, AND WESTFORD

WHY SUPPORT

As a client-choice food shelf, Aunt Dot's Place empowers individuals through a model that allows visitors to select items based on preferences and needs, promoting dignity and a sense of agency. Your support directly contributes to providing essential food items to families facing insecurity in our community.

Your sponsorship provides a unique chance for team building, fun, and community service dedication. This support not only contributes to a worthy cause but also fosters camaraderie among team members, offering a dynamic way to make a positive impact on Aunt Dot's Place and address food insecurity in our community. Supporting our Bowl-a-thon demonstrates a commitment to social responsibility beyond the workplace.

HOW IT WORKS

Participants will form teams and compete in a friendly bowling tournament. Each sponsorship level comes with one complimentary team consisting of six individuals - no additional fundraising required! Two hours of bowling, shoes, pizza and drinks included along with prizes for the top scoring and fundraising teams!

If registering as a team independent of a sponsorship, each team member is asked to raise \$100 in support of Aunt Dot's Place.
